8:30 - 8:45 AM CONFERENCE WELCOME AND ANNOUNCEMENTS

8:45 – 10:45 AM **Neil Freer** – *Sapiens Rising to Cosmic Citizenship: The Script For Our Species' Stellar Performance* - As a futurist, futant, contactee and generic human, Neil says: "We are already into a profound transmutation which will characterize this 21st as our species' Century of Transformation. We are invited into stellar society and have the keys to integrate our past and present as the new humans and meet the conditions for acceptance: planetary unity and peace".

11:15 AM - 12:45 PM **Jim Nichols** – In the annals of UFOlogy one of the most durable legends over the decades has been the story of President Eisenhower's incredible contact with Extra-Terrestrials. Anecdotal accounts of Ike's alleged encounter with ETs can be found in numerous UFO books, but the story remains fragmented at best. Jim will offer a overview of this amazing tale in order to paint a fuller picture of just what this astounding legend entails and its impact on our lives.

12:45- 2:15 PM **Lunch Break**

2:15 – 3:45 PM **Gary Heseltine (UK)** – *The History of British Police UFO Sighting* - Gary has been researching this subject since 2002. He has now amassed over 350 sightings between 1901 and 2008 involving over 700 British police officers. Gary's presentation will comprise of a brief history of how his research began before giving a selection of the types of cases contained on his PRUFOS Police Database website i.e. radar/visual, close encounters etc..

4:10 – 5:45 PM **Wendelle Stevens**– *Alloys: The Gorbachev Contacts* - Wendelle will reveal for the first time to a U.S. audience the behind the scenes story of this contact that changed history and perhaps even moved us into an alternate time line.

8:30 – 9:50 AM **Ann Eller** – *“Dragon in the Sky: Prohpecy from the Stars”* – Ann Eller, who worked with Dr. J. Allen Hynek, the Father of UFO-Alien research, has a unique perspective on the UFO enigma. Her fascinating story also revisits her days in the White House during the Clinton administration, as a medevac nurse for the Peace Corps, and her exceptional encounters with other-worldly beings.

10:10 - 11:50 AM **Fred Burks** - *Mind Control and UFOs: Who's Really in Charge Here?-* Government documents declassified over the past several decades have revealed the existence of many disturbing mind control projects. These astonishing documents prove that the CIA succeeded in erasing minds, turning unsuspecting young women into terrorists and assassins, and creating Manchurian Candidates. This presentation will discuss how these mind control programs have been used to debilitate the UFO movement, and how we can come together to change this.

11:50- 1:20 PM **Lunch Break**

1:20 – 3:50 PM **Judy Goodman** – *The unseen realms; the complexity, wonder and importance of our three dimensional journey!* If you have ever had contact, what does it have to do with your own soul's purpose? What are the connections between other species and us? Let's talk about the phenomenon that crosses through space, time, dimensions, incarnations, and the knowledge base we work from today.

4:10 - 6:00 PM **Danny Sheehan** - *The Essential 'Philosophical, 'Theological' and 'Political' Questions Raised by Human Contact With Extra-Terrestrial Intelligence-* Now Declared to be "Very Suitable Questions Deserving of Serious Consideration" by the Jesuit Director of The Vatican Observatory Following The November 2009 Official Vatican Conference to Discuss "Whether Intelligent Life Exists on Other Planets."
